

Rising, The "These Days"

Visit "[These Days](#)" on MotoLyrics.com

Do you run to the edge
Do you follow the lives
Inside of your mind

Motionless are the ends
Do you wonder now
As the lights go down on you

Let me into your world
Last where nowhere
And nothing's killing time

Far away from myself
I remember times when I was fine

If I could then I would Hold on
These days are coming round
And if I could then I would
wash away the time with these days I'll never...

Our pictures for ourselves
We push away the one that gets too close
I'll burn the light in your eyes
I remember the times when I was fine.

If I could then I would hold on
These days are coming round
And if I could then I would
wash away the time with these days I'll never find

Take me
you know I'm waiting for you
Show me
I should've listened to you

No doubt I'm waiting
I am on my knees for you.

It's fascination that breeds
With every corner
that we have left unturned

We'll collapse just tonight
I remember times when I was fine
