If you hot a junkie got to tell where da rock ya set
All apartments got dope spillaz

And well Atlanta's goin up, Atlanta's goin down
I bring the sound and I found a betta way
Sometimes a nigga gotta do like Barbie and Ken away

If it weren't for this music dope, I wouldn't have no job

Can't let this stress bleed, rollin thru these swats again
Made many, many muthafuckin new friendz
When I was 20 dope, I gotta get this flow, doin shows
See some G'z out in queens for the fed G'z
And let the toxin ease yo pain, where all the niggaz at

See all the kings in choice of power, this iz our hour
Poppin wide, listenin to this line
