Lainie's just as lonely as I am
She sits on the west coast
Flipping through maps of Arizona
She said she's lookin' to leave man
Well that sounds like a good plan
If she could ever make it to Sedona

Finally I'm starting to see
What everyone's been tryin' to tell me

Maybe I'm just luckier than I should be
For a young guy
Still somewhat afraid of getting older
Hoping for your word in the late night
A lover who just might
Keep me from feeling any colder

Finally I'm starting to see
What everyone's been trying to tell me

A letter says I'm leaving
I got a postcard from the road and it's missing my feet
I'm trying to believe in
Anything that's gonna bring you home

Baby you can't blame me for looking
A second passion in cooking
Well I've been more sincere but who gives a damn
I hope you know that I'm trying
And for the days I've been crying
You've been making it up even better than
I thought you would and I'm growing that's good
And it's not where I should be
But don't hold it against me

A letter says I'm leaving
I got a postcard from the road and it's missing my feet
I'm trying to believe in
Anything that's gonna bring you home to me

A letter says dear Lainie, I'm sorry for the delay

I've been stuck in the snow
Be better my dear lady cause come the first sign of
spring
I'll be coming home

A letter says dear Lainie, I'm sorry for the delay
I've been stuck in the snow
I'm trying to believe in
Anything that's gonna bring you home to me

A letter says dear Lainie, I'm sorry for the delay
I've been stuck in the snow
Be better my dear lady cause come the first sign of
spring
I'll be coming home
