You say with best intention, lets throw away convention
Set sail across the water, to find the tides of fortune
I say please understand it, dont' let our love be
stranded
upon the midnight rocks, upon the midnight rocks

You say theres no endeavour, we couldn't try together
no storm we couldn't weather, we'll ride the wind
forever
I hear the words you've spoken, don't let our love be
broken
Upon the midnight rocks, oh yeah, upon the midnight
rocks.

Ahhh...you know you know its easy
Ahhh...to let it go believe me
Ahhh...you know you know you feel it
Ahhh...don't lose it when you need it

I know that fascination, with living each sensation
in your imagination, theres is no hesitation
I know your mind is turning, don't let our love lie
burning
upon the midnight rocks, oh yeah, upon the midnight
rocks.

I know that fascination, with living each sensation
in your imagination, there is no hesitation
I say please understand it, don't let our love be
stranded
Upon the midnight rocks.
