The sun will blacken and the moon become as blood  
The stars will fall from space  
People will flee to the mountains  
To hide their bodies from His face

The sun will blacken and the moon become as blood  
The stars will fall from space

The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?  
The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?

Blood and fire shall burn the earth  
Blood and fire shall burn the earth

Woe to those who inhabit the earth  
In His wrath they won't stand  
Woe to those who inhabit the earth  
In His wrath they won't stand

The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?  
The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?

Soon the mountain will be burning with fire  
Soon the water will turn bitter  
Soon the mountain will be burning with fire  
Soon the water will turn bitter

The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?  
The day of His wrath will come on wicked men  
The day of His wrath will come, who shall stand?

Blood and fire shall burn the earth  
Blood and fire shall burn the earth
