Tonight it's time to change our mind and go
It's party time, ooo oh
Hands in the air friends everywhere
That's life we can't decline, ooo oh

You and me will be in paradise
I can feel, can feel that you'll be mine
Infected, my heart is like a fire
Infected

I wanna dance tonight
I wanna scream and shout
To be together, I need you all the time
We wanna dance tonight
It's gonna be alright
Close to heaven you make me feel alive

Oh oh oh oh
Everybody's dancin'
Oh oh oh oh
Everybody's screamin'

The sun is setting in the sky
(?) thinking my mind
A love affair lies in the air
There's music full of life

You and me will be in paradise
(?), to leave me in your eyes
Infected, you're goin' to recognize
You love me

I wanna dance tonight
I wanna scream and shout
To be together, I need you all the time
We wanna dance tonight
It's gonna be alright
Close to heaven you make me feel alive

Oh oh oh oh
Everybody's dancin'

Oh oh oh oh
Everybody's screamin'

You and me in paradise
(You and me) To leave me in your eyes
(Infected) You're goin' to recognize
(You and me) You make me feel alive

I wanna dance tonight
I wanna scream and shout
To be together, I need you all the time
We wanna dance tonight
It's gonna be alright
Close to heaven you make me feel alive

I wanna dance
It's gonna be
It's gonna be alright
