[Intro- SMac]

Ai!. SMAC.. Let's go! H1 productions..

[Verse 1- SMac]

Let's suppose I'm the best I am,  
ultimate threat to the rest I am,  
whenever I get on the stage to sing,  
the east side's up and the west side's in,  
Uh.. look at the mess I'm in  
my fashionist gave me the dress I'm in,  
but ladies still love me the way I am,  
the way I flow, the way I jam,  
ya kamata ku je down low,  
whenever I sing -mi re do,  
sai ku tapa ku ba ni more,  
the rumours still spread and my story goes,  
honestly I don't know,  
I'm not really sure where my future goes,  
I just sing songs and hope it blows,  
do a little good and hope it shows

[Hook- Minz]

They tell me say I no go blow (I no go blow)  
But they no fit stop me- this I know (this I know)  
They tell me say I no go blow (I no go blow, I no go  
blow)  
But they can't stop me- this I know (this I know)

[Verse 2- SMac]

So fly I'm hated,  
too good I'm rated,  
I am inflated,  
so the day I blow is awaited,  
it has been stated,  
that my flow is so elevated,  
high... Translated,  
distant... Related,  
I flow too much coz my flow is ample,  
specimen X- I am that sample,  
leading.. You follow,  
I am example,

not easy I work quite hard,  
sleepless nites I got no car,  
my credit card has been maxed out,  
And the girl I like has been asked out

[Hook- Minz]

They tell me say I no go blow (I no go blow)  
But they no fit stop me- this I know (this I know)  
They tell me say I no go blow (I no go blow, I no go  
blow)  
But they can't stop me- this I know (this I know)
