East bound and down, load it up and truck it  
We gonna do what they say can't be done  
We've got a long way to go, and a short time to get  
there  
I'm east bound just watch old bandit run

Keep your foot hard on the pedal, son never mind them  
brakes  
Let it all hang out cause we've got a run to make  
The boys are thirsty in Atlanta, and there's beer in  
Texarkana  
And we'll bring it back no matter what it takes

East bound and down, load it up and truck it  
We gonna do what they say can't be done  
We've got a long way to go, and a short time to get  
there  
I'm east bound just watch old bandit run

Old Smokey's got his ears on, he's hot on your trail  
He ain't gonna rest till your in jail  
So you gotta dodge him you've gotta duck him  
You gotta keep that diesel truckin'  
Put that hammer down and give 'er hell

East bound and down, load it up and truck it  
We gonna do what they say can't be done  
We've got a long way to go, and a short time to get  
there  
I'm east bound just watch old bandit run

East bound and down, load it up and truck it  
We gonna do what they say can't be done  
We've got a long way to go, and a short time to get  
there  
I'm east bound just watch old bandit run  
I'm east bound just watch old bandit run
