I'm a road man, a load man, eighteen wheels and a
serious plan
Ain't nothin' gonna go gettin' outta hand while I'm
behind the wheel
I'm on fire, and I'm wired, full of diesel and ready for
hire
I'm buildin' a rollin' empire of blood, sweat and steel

I don't waste time, I make time, tearin' a strip off the
white line
I'm a professional man, I'm one of a kind, and I know
how to bring it in
I've got a clean slate in five states, and twenty-nine that
ain't so great
Fourteen that'll have to wait, and two I've never been

I'm a road hammer, a white knuckled steel gear
jammer
Rig jockey highway slammer, I'm just doin' what I gotta
do
I'm a road hammer, double talkin' CB grammer
Haul your load from Alabama all the way to Timbuktoo

I've hauled the left coast, the west coast
California sun where they're chillin' the most
Follow 309 Teddy Bears ghost, All the way to New
Orleans
I've been from Thunder Bay, to PA
All the way down to FLA, And every little town along the
way
There ain't much that I haven't seen

I'm a road hammer, a white knuckled steel gear
jammer
Rig jockey highway slammer, I'm just doin' what I gotta
do
I'm a road hammer, double talkin' CB grammer
Haul your load from Alabama all the way to Timbuktoo

Bridge: Another day, another town
Diesel up, and hammer down

I've got a pimped ride, a pretty bride
Four little babies and my hound reside
Back in the hills on the mountain side
South of the river bend
I've got my cell phone, she's on roam
Sweet little thing wants to get it on
She says I left somethin' turned on at home
She can't wait 'till I'm back again

I'm a road hammer, a white knuckled steel gear
jammer
Rig jockey highway slammer, I'm just doin' what I gotta
do
I'm a road hammer, double talkin' CB grammer
Haul your load from Alabama all the way to Timbuktoo

I'm a road hammer, a white knuckled steel gear
jammer
Rig jockey highway slammer, I'm just doin' what I gotta
do
I'm a road hammer, double talkin' CB grammer
Haul your load from Alabama all the way to Timbuktoo

I'm a road hammer (can't wait 'till I'm back again)
I'm a road hammer (steal gear jammer)
I'm a road hammer
I'm a road hammer (do what i got to do)
