I been warped by the rain, driven by the snow
I'm beat down and dirty, and don't you know
That I'm still
Willin'
Out on the road late last night
Saw my pretty Alice in every head light
My Alice
My Dallas Alice

And I've been from Tuscon to Tucumcari
Tehachapi to Tonapah
I've driven every kind of rig that's ever been made
I've driven the back roads so I wouldn't get weighed
And if you give me
Weed, whites, and wine
And you show me a sign
I'll be willin'
To be movin'

I've been kickd by the wind, robbed by the sleet
Had my head stoved in, but I'm still on my feet
Still
Willin'
Now I've smuggled some smokes and folks up from
Mexico
Baked by the sun, every time I go to Mexico

And I've been from Tuscon to Tucumcari
Tehachapi to Tonapah
I've driven every kind of rig that's ever been made
I've driven the back roads so I wouldn't get weighed
And if you give me
Weed, whites, and wine
Show me a sign
And I'll be willin'
To be movin'

And I've been from Tuscon to Tucumcari
Tehachapi to Tonapah
I've driven every kind of rig that's ever been made
I've driven the back roads so I wouldn't get weighed

And if you give me
Weed, whites, and wine
Show me a sign
Well I'll be willin'
Oh I'll be willin'
I'll be willin'
To be movin'
