So .. sex, so damn demanding
And when you walk in the club everybody look up ..
... girlfriend and ..
You know I have a come over see you girl
find out what it do.

I got things on my mind
and I wanna share the way with you
and my mind got ...to me on top of you.
What you're doing tonight?
Anything you want or waited
Baby girl you got me trippin
What you wanna do?

Chorus:
Falling off my game got you on my brain
Don't know how bad I want you girl
Don't know how bad I want you girl
You might think me crazy the way that you
Don't know how bad I want you girl
And I want you to want me.

Was good little mammy
just got a bottle of Patron and when you roll on me
see the VIP ..
Don't wanna waste your time so I'ma cut the shades
Baby try to make you mine girl
And get you back to my place.

I got things on my mind
and I wanna share the way with you
and my mind got ...to me on top of you.
What you're doing tonight?
Anything you want or waited
Baby girl you got me trippin
What you wanna do?

Chorus:
Falling off my game got you on my brain
Don't know how bad I want you girl
Don't know how bad I want you girl

You might think me crazy the way that you
Don't know how bad I want you girl
And I want you to want me.

Your lips your .. your eyes
Your sexy ..you really got me out my mind
...whatever you did 'cause baby girl you ..

[Chorus:]

Thanks to garbo
