Baby when I walked the , I saw you sitting on the side,
by the corner of my eye
I said damn Shawty looking kinda good tonight, tonight
So once you get all of your drinking ,I think it's
best that you come take a ride with me
You see exactly how beautiful your life can be oh,
Come take a ride with me let me fill your fantasies
I got some things in my head that I wanna try out in my
bed
So if you're down with me girl you know I'm down with
you
Tell me what you wanna do, yeah

Uh girl, I see you and I'm trying get you back to my crib
tonight
Uh girl, I want you, it's not a secret, but tonight I'm
trying to hide
I'm with it trying to spend some time with you tonight,
babe
Uh girl, I gotta have you, I never seen a body as fine as
you
Tell me what I gotta do

Tell me what I gotta do to get your heart
Whatever it is, I'm willing to travel far
Cause you got just what I need, the way you walking
causes ,
So I'm trying to get you hold me,
and tonight gonna be playing this thing again
If you come home with me is , my name
So you can still pick up a costumatation, you know you
wanna roll as ,

So let's go, come take a ride with me, let me fill your
fantasies
I got some things in my head that I wanna try out in my
bed
So if you're down with me girl you know I'm down with
you
Tell me what you wanna do, oh yeah
Uh girl, I see you and I'm trying get you back to my crib

tonight
Uh girl, I want you, it's not a secret, but tonight I'm
trying to hide
I'm with it trying to spend some time with you tonight,
babe
Uh girl, I gotta have you, I never seen a body as fine as
you
Tell me what I gotta do
Uh yeah, tell me what I gotta do
Oh girl, oh girl,
