(tragedy!)  
and I hear the cries  
but I don't see the reason to which  
these cries should lead me to  
a tragedy  
a crowd gathers as I run with curiosity

and as I stare at a masterpiece  
I want to give you the grace that led me  
to this state of mind  
it's beautiful

and frightened  
I approach a crowd  
I act as if connive  
they stare at me  
with bitter dislike  
awaiting a proper response  
they stare at me  
and as I stare at a masterpiece  
I want to give you the grace that led me  
to this state of mind  
it's beautiful

(instrumental)

and as I stare at a masterpiece (Tragedy)  
I want to give you the grace that led me (Tragedy)  
to this state of mind (Tragedy)  
it's beautiful (Tragedy)x2
