Not having choices has created chaos...  
How so shall I deal with  
All the dilemmas presented on a daily basis?

And I have no strength  
All of my strength  
Has been weekend  
By past deceptions

I can't trust in anyone but you  
So I lay it before you

I know my thoughts are apparent  
But I ask for guidance  
I'm lost in the midst of chaos

I need out  
I need you  
Not having choices has created chaos

And I have no strength  
All of my strength  
Has been weekend  
By past deceptions

I can't trust in anyone but you  
So I lay it before you

And I have no strength  
All of my strength  
Has been weekend  
By past deceptions [x2]

I have no strength [x3]
