I close my eyes
And I see your face
I smell your smell
And I taste your taste
(I can taste your lovely taste)

I feel the touch of your soft hand
I hear the beating of your heart
Please don't wake me now
'Cause I don't ever wanna part

And it's true
I need you
To be
The one for me

And everything's so perfect it does seem
Don't wanna open my eyes 'cause what if you're only a
dream
But I see you there with your arms around me
And it's as amazing as I hoped it would be
But is this real
Everything I feel
Or am I dreaming
Or am I dreaming

You lean over
And you give me a kiss
I never dreamed
It could be like this
(As perfect as this)

I feel the warmth within your eyes
I see the smile on your face
As we're lying here
In this perfect little place

And it's true
I need you
To be
The one for me

And everything's so perfect it does seem
Don't wanna open my eyes 'cause what if you're only a
dream
But I see you there with your arms around me
And it's as amazing as I hoped it would be
But is this real
Everything I feel
Or am I dreaming

And if I open my eyes
Will you still be standing there
And if I open my eyes
Will you still tell me that you care

But as amazing as this seems
I can't go on living life as a dream

And as I open my eyes
I realize
You're everything I hoped for
But I ain't dreaming no more

And everything's as perfect as it seemed
I've opened my eyes but this isn't a dream
You're still here with your arms around me
And it's as amazing as I dreamed it would be
And this is real
All this love I feel
You're everything I've hoped for
But I know, I ain't dreaming no more
