I was down for the count  
Down, never out  
I was determined  
But I couldn't catch a break  
Always treading in the wake  
Like I was afraid of it  
So I gave up the fight  
Let me fall where I might  
And maybe I'm set to win  
I quit action, I quit plan  
Shook that big, invisible hand  
And welcomed the Fatalist  
Give yourself into its vision  
No more struggle, no decisions  
Beyond your control  
So give in and let go  
Enter the Fatalist  
Oh, we try so hard  
Oh, we try, try so hard  
To get out of this  
What is behind it?

The omniscient it

Yes, Fatalist, Fatalist, Fatalist, the Fatalist

Give yourself into its vision

No more struggle, no decisions

Beyond your control

Welcome the unknown

Yes, Fatalist
