La La La  
La La La

I never loved the whites  
I never loved the whites  
They go so dirty and never stayed clean  
Tide likes to help me  
And the colours sometimes blend with the whites

But in my life there is something called colour  
But best of all

Pink Shirt I love you  
You and I have got it made  
Pink Shirt I love you  
You and I have got it made

Contemplating the washer  
Contemplating my image  
Never thought this would end up so plain  
The pink lives in me and this song

Have you not seen this colour  
It's fucking sick

Pink Shirt I love you  
You and I have got it made  
Pink Shirt I love you  
You and I have got it made

Got a pink shirt  
Got a pink hat  
Got a pink car  
Got a pink cat  
Got a pink dank  
Got a pink lamp  
Got a pink bike  
Got a pink stamp  
Got a pink pen  
Got a pink man

Got a pink thought  
Got a pink sock  
Got a pink rhyme  
Got a pink bar  
Got a pink drink  
Got a pink phone  
Got a pink shoe  
Got a pink shirt  
GOT A PINK watch  
GOT A PINK SHIT

Pink Shirt I love you  
You and I have got it made  
Pink Shirt I love you  
You and I have got it made

Pink Shirt I love you  
You and I have got it made  
Pink Shirt I love you  
You and I have got it made
