Fear is the mind controller  
Fear is the mind destroyer  
Instill fear into the mind of the weak  
And obtain the power that you seek  
A method used since the dawn of time  
Bet your ass you will fall in line  
Fall in line

Pain was granted  
To those who tried to stray  
From order

Trust is a flaw in every man's design  
And you are not worthy of mine  
Worthy of mine

This is not  
This is not the life I had in mind  
This will not be the way I carry on  
This is not the life I had in mind  
I will not live under this veil

This is not the life I had in mind  
I will not live under this veil

Over all that is spread out before me  
I exist, above dismay, above fear  
Over all that is exposed before me  
I exist. I exist.

Fear in nothing, no man, no god  
Fear in nothing, no words, no creed  
Fear in nothing, no man, no god  
Fear in nothing, no words, no creed

Over all that is spread out before me  
I exist, above dismay, above fear  
Above dismay, above fear  
Over all that is exposed before me  
I exist

It's time to separate yourself  
From the grip of this oppression
