### "Feeding Frenzy"

You're eating yourself alive

Alive and you don't even see it  
Accept the signs, you can take it or leave it

What ever happened to integrity?  
What ever happened to sincerity?  
A feeding frenzy, a monstrosity

Leeching on to a host and never letting go  
You're bleeding it dry draining it of any growth  
Once a leech now turned into a ghost  
This feeding frenzy has left you all alone

So now it's time to let go!  
So now it's time to let go!  
So now it's time to let go!

The only thing a fool knows  
The only thing that is visible  
Is what has been put on the pedestal  
The only thing a fool knows

Leeching on to a host and never letting go  
You're bleeding it dry draining it of any growth  
Once a leech now turned into a ghost  
This feeding frenzy has left you all alone

Their sights are set  
And now they feed  
Their senses are numb  
But still they feed

Forgive them for they don't know what they do  
This is all they know  
Their senses are numb  
And still, and still they feed  
And still they feed

They're eating themselves alive

So now it's time to let go!  
It's time to let go!  
It's time to let go!  
It's time to let go!
