

## Within The Ruins

### "Solace"

The luster is now gone  
I know where I belong  
A vagabond by nature  
A life only I can endure

I find solace, I find peace  
I find peace in the unforeseen  
And now my satisfaction is achieved

Welcome filth, accept uncertainty  
Comfort in knowing, I am not alone  
Passion is shared, hardships endured  
Learn from this, and fucking grow

Grow

Live, eat, breathe, bleed  
Striving to reach the peak  
Sweat, grind, break, bleed  
Satisfaction achieved

I find solace, I find peace  
I find peace in the unforeseen  
And now my satisfaction is achieved

This is a statement  
To always try  
This is a statement  
To never die  
Now I boldly say

I can never die!

Live, eat, breathe, bleed  
Striving to reach the peak  
Sweat, grind, break, bleed  
Satisfaction achieved

Fuck the impending  
The condescending  
This is what I live by

A testament to always try  
Defy, defy, defy, defy

I can never die!

(In background)  
Never die!  
Always strive!  
Never deny!  
I was built to survive!
