I'm searching for answers
Cause something it's not right
I follow the signs
I'm close to the fire

I feel that soon you'll reveal
Your dangerous mind

Chorus:

It's in your eyes what's on your mind
Fear your smile and the promise inside
It's in your eyes what's on your mind
I fear your presence, I'm frozen inside
Inside

I'm searching for answers
Not questioned before
The curse of awareness
There's no peace of mind

As your true colours show
A dangerous sign

Chorus:

It's in your eyes what's on your mind
See the truth that you've buried inside
It's in your eyes what's on your mind
There's no mercy, just anger I find
I find

I just have to know
While I still have time
Do I have to run
Or hide away from you?

Chorus:

It's in your eyes what's on your mind
See the truth that you've buried inside
It's in your eyes what's on your mind
There's no mercy, just anger I find
(2x)
I find
