Sparkling angel I believed  
You are my savior in my time of need  
Blinded by faith, I couldn't hear  
All the whispers, the warnings so clear

I see the angels, I'll lead them to your door  
There's no escape now, no mercy no more  
No remorse 'cause I still remember  
The smile when you tore me apart

You took my heart, deceived me right from the start  
You showed me dreams, I wished they turn into real  
You broke the promise and made me realize  
It was all just a lie

Sparkling angel, I couldn't see  
Your dark intentions, your feelings for me  
Fallen angel, tell me why  
What is the reason, the thorn in your eye?

I see the angels, I'll lead them to your door  
There's no escape now, no mercy no more

No remorse 'cause I still remember  
The smile when you tore me apart

You took my heart, deceived me right from the start  
You showed me dreams, I wished they turn into real  
You broke the promise and made me realize  
It was all just a lie

Could have been forever  
Now we have reached the end

This world may have failed you  
It doesn't give you a reason why  
You could have chosen a different path in life  
The smile when you tore me apart

You took my heart, deceived me right from the start  
You showed me dreams, I wished they turn into real  
You broke the promise and made me realize

It was all just a lie

Could have been forever  
Now we have reached the end
