I hear your whispers
Break the silence
And it calms me down
Your taste on my lips
Your salty kisses
Ohh...

They say I'm seeking up the danger
That one day you won't let me go
(I'll drown, you'll take me down)

I need you, Aquarius
Enchanted I will have to stay.
I feel you, Aquarius
'Cause you don't see, set me free
You call to me, Aquarius
(You call to me, set me free)

I relinquish
To your powers
From your grasp
I just can't hide

I missed the danger
I had to conquer

You made me feel alive

They say I have to be aware
That one day you won't let me go
(I'll drown, Take me down)

I need you, Aquarius
Enchanted I will have to stay.
I feel you, Aquarius
'Cause you don't see, set me free
You call to me, Aquarius

I long for you, Aquarius
I need to be with you again
I fear you, Aquarius
My destiny 'till the end

I need you, Aquarius
Enchanted I will have to stay.
I feel you, Aquarius
'Cause you don't see, set me free
