He feeds on fear, he feeds on pain  
He rules again  
If for all he cares he will guide  
The faith again

Our light in the darkness  
Is too small to see  
There's always a sparkle of hope  
If you just believe

He told the tale so many times  
About the dream not meant to be  
In a world of the free  
(He plays with your mind)

As faith for the future faded fast  
He grows strong with their displeasure  
It sets him free

Deceiver of hearts  
Deceiver of fools  
He rules with fear

Deceiver of hopes  
Deceiver of fools  
He rules again

He feeds on fear, poisons the truth  
To gain their faith to lead the way  
To a world of decay  
(He rules your heart)

He'll sell your soul to the grave  
Without a hesitation to make  
He belongs to the dark

Deceiver of hearts  
Deceiver of fools  
He rules with fear

Deceiver of hopes  
Deceiver of fools

He rules again

Please awake and see the truth  
He can only be if you believe what he tells you  
Remember who you are, what you stand for  
There will always be a way

Deceiver of hearts  
Deceiver of fools  
He rules with fear

Deceiver of hopes  
Deceiver of fools  
He rules again

In my heart there is a place  
In my heart there is a trace  
Of a small fire burning

A sheltering ray shines through this night  
Although it's small it's bright  
But darkness is lurking

He will sell your soul  
To bitterness and cold  
Oh fear him

Deceiver of hearts  
Deceiver of fools  
He rules with fear

Deceiver of hopes  
Deceiver of fools  
Shall he rule again?
