

Within Temptation

"Enter"

The gates of time have opened
Now, its chains are broken
An ancient force unleashed again
As I enter the portal
I feel the enchantment
It takes me away, away from here
Come near me,
Enter my private chambers
I want to feel the warmth on my face,
Light in darkness,
Lift me up from here
Give me your wings,

To flee from my ivory tower
As I enter the portal
I feel the enchantment
The stars above are lying at my feet
Come near me,
Enter my private chambers
I want to feel the warmth on my face,
Light in darkness,
Lift me up from here
Give me your wings,
To flee from my ivory tower
