The world seems not the same
Though I know nothing has changed
It's all my state of mind
I can't leave it all behind
Have to stand up to be stronger

Chorus:

Have to try to break free
from the thoughts in my mind
Use the time that I have
I can't say good bye
Have to make it right
Have to fight
Cause I know in the end its worthwhile
That the pain that I feel slowly fades away
It will be alright

I know, should realize
Time is precious
It is worthwhile
Despite how I feel inside
Have to trust it'll be alright
Have to stand up to be stronger

Chorus:

Have to try to break free
from the thoughts in my mind
Use the time that I have

I can't say good bye
Have to make it right
Have to fight
Cause I know in the end its worthwhile
That the pain that I feel slowly fades away
It will be alright

Oh this night is to long
Have no strength to go on
No more pain
I'm floating away
Through the mist
See the face

Of an angel who calls my name
I remember you're the reason I have to stay

Chorus:

Have to try to break free
from the thoughts in my mind
Use the time that I have
I can't say good bye
Have to make it right
Have to fight
Cause I know in the end its worthwhile
That the pain that I feel slowly fades away
It will be alright
