Lost in the darkness, hoping for a sign
Instead there is only silence can't you hear my
screams?
Never stop hoping, need to know where you are
But one thing is for sure you're always in my heart

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul

Lost in the darkness, try to find your way home
I want to embrace you and never let you go

Almost hope you're in heaven so no one can hurt your
soul
Living in agony 'cause I just do not know where you are

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul

Wherever you are, I won't stop searching
Whatever it takes, I need to know

I'll find you somewhere
I'll keep on trying until my dying day
I just need to know whatever has happened
The truth will free my soul
