Give me strength to face the truth  
The doubt within my soul  
No longer I can justify  
The bloodshed in his name

Is it a sin to seek the truth, the truth beneath the rose?  
Pray with me so I will find the gate to Heaven's door  
I believed it would justify the means  
It had a hold over me

Blinded to see  
The cruelty of the beast  
Here is the darkest side of me  
(Forgive me my sins)

The field of my dreams  
Deceived all I have seen  
Forgive me for what I have been  
(Forgive me my sins)

Pray for me 'cause I have lost my faith in holy wars  
This paradise denied to me 'cause I can't take no more

Has darkness taken over me  
Consumed my mortal soul?  
All my virtues sacrificed  
Can Heaven be so cruel?

I believed it would justify the means  
It had a hold over me  
(Forgive me my sins)

Blinded to see

The cruelty of the beast  
Here is the darkest side of me  
(Forgive me my sins)

The field of my dreams  
Deceived all I have seen  
Forgive me for what I have been  
(Forgive me my sins)

I'm hoping, I'm praying  
I won't get lost between two hearts  
Follow a sin  
The truth lies in between

Give me the strength to face the wrong that I have  
done  
Now that I know  
The darkest side of me

How can blood be your salvation  
And justify the pain  
That we have caused throughout the times

Will I learn what's truly sacred  
Will I redeem my soul  
Will truth set me free

Blinded to see  
The cruelty of the beast  
Here is the darkest side of me  
(Forgive me my sins)

The field of my dreams  
Deceived all I have seen  
Forgive me for what I have been  
(Forgive me my sins)
