Try me  
Move beside me  
Now look at my face  
Yeah, try me

Try me  
Try me  
Try me this time  
Just get a little closer  
Look me in the eye

Try me  
Move a little closer  
Try me  
Move a little closer  
And you can't let go

Every time we're riding  
I feel you closer to the night  
And you're moving next to me  
Just try  
Do you wanna step out side?  
Yeah, baby  
Try me, try me, yeah

No time like this time  
I move along sweet lie  
I tried real hard to hold you  
I wanna find open eyes

If you feel it's time to go  
If you can't hold on  
Than you can't let go

Every time we're riding  
I feel you closer to the night  
And you're moving next to me  
Just try  
Do you wanna step out side?  
Yeah, baby  
Try me, try me, yeah

(repeat 3x)
