Gonna feel the sky
Cause it'll kill the high
Yeah you're gonna fly
Oh no, here we go

Now just embrace the fear
Cause it's a real fuckin deal
Yeah you're gonna kneel
Oh no, here we go
Oh no, here we go

Well I see you're equipped
Just to take the sweetest trip
Do the candy flip
Who's your candy?

You will become the high
Or so says Killer Fuckin Ky
But you're not gonna die
Oh no, here we go
Oh no, here we go

Well I see you're equipped
Just to take the sweetest trip
Do the candy flip
Who's your candy?

We're your candy!
