I'm more than just a freak show for you and your girlfriends
Yeah we're gonna have to let go
Til you can depend on your man

You wear sex like a logo on amphetamine island
Now your looking to your heroes
You wanna contend with the men
But your faded again, again

I just wanna be high
In nuclear skies
Gonna ignite
I wanna be high
We're learning to fly
Gonna ignite

There's something more than trouble (?)
Well I'm not your fucking (?)
You're chaperone to the throne

You wear sex like a logo on amphetamine island
Now your looking like your heroes
You wanna pretend to be men
Again and again, again

I just wanna be high
In nuclear skies
Gonna ignite
I wanna be high
We're learning to fly
Gonna ignite

So feed me another line
Til you look at the sign
They'll never please me
Give me a sign
Give me a line!
I just wanna be high
And look through your skies
Gonna be nice

I wanna be high
We're learning to fly
Gonna be nice

I just wanna be high tonight
