Well I know you love me
Or so it would seem
But i've never been a king
I've always been a queen

And you say you love me
And that you'll be true
But how can you love someone
who's more effeminate than you?

I never played soldier
I never played ball

I'm one of those boys
Who played with girls toys
I'm one of those boys

Well i know my parents
Would have rathered a girl
Said they gave me dollies
Said they set my hair curls
But i know they loved me
And just the same
So why did they give me an asexual name?

I never got dirty
I never played in the mud

I'm one of those boys
Who played with girls toys
I'm one of those boys
I played with the wrong toys
I'm one of those boys

Oh baby please don't stop
And please don't be surprised
But i prefer when you're on top

I'm one of those boys
Who played with girls toys
Yah i'm one of those boys

Boys boys boys boys toys toys toys (in background for
rest of song)

I'm one of those boys
Who played with girls toys
I'm one of those boys
I played with the wrong toys
Yah i'm one of those boys
Who played with girls toys
I'm one of those boys
