Your world is a very big mistake  
I've seen all that I can take  
Your planet is a dark and ugly place  
It would be easy to erase  
Are you soothed?  
Are you soothed?  
Are you soothed?  
We were going to eliminate you  
But we really really liked your eyes  
You are Plastic  
Your world is a very bad disgrace  
I've seen about all that I can take  
Your earth is a filthy nasty place  
It would be easy to erase  
Are you soothed?  
Are you soothed?  
Are you soothed?  
We were going to eliminate you  
But we really really liked your eyes  
You are Plastic (Oh) Fantastic  
We wanted to incinerate you  
But we really really liked you skies  
They are Plastic (Oh) Fantastic  
...  
Your world is a very special place  
I see we made a big mistake  
Your planet is a wonderful place  
It would be hard to replace  
Are you soothed?  
Are you soothed?  
Are you soothed?  
We were going to eliminate you  
But we really really liked your eyes  
You are Plastic (Oh) Fantastic  
We wanted to incinerate you  
But we really really liked you skies  
They are Plastic  
We are going to assimilate you  
Cause we really really like your lives  
They are Plastic (oh) Fantastic  
You are Plastic (Oh) Fantastic

(Oh) Fantastic
