Well I'm inflicted with my own disease  
And I'll infect my friends and enemies  
And you both treated me on your knees  
You are a mercy that was built to please

You run and you run and you run and you run  
And I gotta keep runnin, gotta keep runnin through

I'm feeling something inside  
It makes me run and hide  
I gotta get from you  
Cause I'm so, so, so sick of you!

Now I'm infected with your vaccine  
And now you'll never set my mind at ease  
You run and you run and I run and I run  
And I gotta keep runnin, gotta keep runnin through

I'm feeling something inside  
It makes me run and hide  
I gotta get from you  
Cause I'm so, so, so sick of you!

Yeah there's something inside  
It makes me run and hide  
I gotta get from you  
Cause I'm so, so, so sick of you!  
Sick!

I'm feeling something inside  
It makes me run and hide  
I gotta get from you  
Cause I'm so, so, so sick of you!
