[la la la la]

We were sitting, thinking
It was me and you and our
Elusive friends and feinds
And sex machines
I thought the night would
Never, ever end too soon
I put my faith in you

(chorus 1:)
Take away
This side of you
Is so confusing
So I take myslef away

[la la la la]

Home alone
And royally stoned
My mind returned
Our elusive friends
With thirsty drinking down
Our thoughts reveal
I wasn't comprehending true
I put myself in you

(chorus 1)

(chorus 2:)
Take away
When I'm with you
It's so amusing
So I take myself
Away

[la la la la]

Comprehending true
I put myself in you

(chorus 1)

(chorus 2)

[la la la la]

Away, Away, Away
