Teenage sex  
It's so exciting  
So enticing  
So where ya hiding?  
In your parents bedroom?  
The rec room floor?  
Go down in the basement  
Scream for more!  
I just wanna  
I just wanna kiss your lips  
I just wanna  
I just wanna lift your hips  
Oh oh oh ya!

Teenage sex  
It's so beguiling  
It's so inviting  
so stop your whining!  
Behind the bleachers  
And you're late for class  
There's a teacher  
Wanna fuck your ass!

I just wanna bite your neck  
And I just wanna scratch your back  
Oh, yell! ya ya ya ya oh!

I just wanna kiss your lips  
And I just wanna lift your hips  
Oh, oh,...ya! oh!

Teenage sex  
Teenage sex  
Teenage sex  
Bite your neck  
Scratch your back  
Kiss your lips  
And fuck your ass!  
OH!
