"This One's Gonna Hurt You Bad"

I'd rather be elegantly wasted
you'd rather stay comfortably numb
you dont know where your going
i cat forget where im from
itsnot what they do to you
its what you do to me
this ones gonan make you bruse
and this will make you bleed

Baby, this ones gonna hurt you bad
baby, baby, baby this ones gonna hurt you bad
Baby, this ones gonan hurt you bad

i'd never be violently sober
but you gonna star totaly dumb
i know exactly where im going
but they'll never find your body, son
yeah yeah yeah yeah yeah
its now what you do to me
ist what i'll do to you
this ones gonna make you bleed
and this will make you bruise

baby, this ones gonna hurt you bad
baby, baby, baby this ones gonna hurt you bad
baby, this ones gonan hurt you bad

and like a soldure seeking his fourtune
im a wariour thru and thru
and im bring the tourtue
i'll be looking for you

baby, this ones gonna hurt you bad
baby, baby, baby this ones gonna hurt you bad

and like a soldure seeking his fourtune
im a wariour thru and thru
and im bring the tourtue
i'll be looking for you
i'll be looking for you
i'll be looking for you

i'll be looking for you
i'll be looking for you baby
i'll be looking for you baby
i'll be looking for you baby
i'll be looking for you baby
i'll be looking for you baby
yeah
