And looking back I see tomorrow in her eyes
My attack will make a truth out of music's lies
looking forward i don't know what time i'll find
nah nah nah nah nah
but rich and famous are the words that are on my mind
nah nah nah nah nah

I've gotta know
A couple of years will tell us
Am i high or low?
I wanna be like elvis cause i need to be

Gonna time travel tonight
til I'm a star and you're a meteorite
We've gotta
Let's get crazy tonight
We've gotta time travel tonight

And reaching up I got tommorow in my hands
nah nah nah nah nah
And I can feel that music's future is this band
nah nah nah nah nah
I've gotta know
A couple years will tell us
Am i high or low?
I'm gonna be like elvis cause I need to be

We're gonna time travel tonight
til i'm a star and you're a meteorite
We've gotta
Lets get crazy tonight
We're gonna time travel tonight
Gotta time travel tonight...oh!

We're gonna time travel tonight
Yah i'm a star and you're a meteorite
We've gotta
Let's get famous tonight
We're gonna time travel tonight
Gotta time travel tonight
We're gonna time travel tonight

Time travel tonight
Cause of time time time time
Gonna time travel tonight
heh heh, we'll meet you in the future baby
