Come on!

When every kid wants a new bike  
and every king wants a good life

ooo la la la ooo la la la  
and every little piece of trash on the tv screen  
wants to show  
mommy knows but daddy don't know  
what mommy don't know won't hurt her  
and daddy knows, but mommy don't know what hurt  
her

well every boy wants a sports car  
and every girl wants a rock star  
ooo la la la ooo la la la  
and every little piece of trash on the tv screen  
wants to show  
mommy knows but daddy don't know  
what mommy don't know won't hurt her  
and daddy knows, but mommy don't know what hurt  
her

and every little piece of ass  
every moment that i'll never get back  
every kid just wants to show, wants to show  
mommy knows but daddy don't know  
what mommy don't know won't hurt her  
and daddy knows, but mommy don't know what hurt  
her (x2)
