So you celebrate it everywhere you go  
and you've masturbated everyone you know  
but i, im really not surprised with anything you do  
whoa, it no wonder you tried to steal my thunder

I really thought i knew ya,  
but then i saw right thru ya  
its a misstake that we all made but now we know  
that theres nothing to ya, now that we saw right thru ya  
its a mistake that we all made but now we know.

your infatuated with every word you sing  
and you desecrated every place youv been  
but i, could not be less surprised by a single thing you  
do  
whoa, its no wonder you tried to steal my thunder

I really thought i knew ya,  
but then i saw right thru ya  
its a misstake that we all made but now we know  
that theres nothing to ya, now that we saw right thru ya  
its a mistake that we all made but now we know.

Its no wonder you tied to steal my thunder  
its no wonder you tried to steal my thunder

I really thought i knew ya,  
but then i saw right thru ya  
its a misstake that we all made but now we know  
that theres nothing to ya, now that we saw right thru ya  
its a mistake that we all made but now we know.  
that theres nothign to ya now that we saw right thru ya  
its a mistake that we all made but now we know  
yeah mistake that we all made but now we know
