Cause I'm a fool  
A fool for you  
I seem to want  
Everything that you do  
I don't know  
I procrastinate  
Cause I hate those days  
That are bound to me  
It's never sure  
It's never pure  
It always hurts  
So climb out  
It's never sure  
It's never pure  
It always hurts  
So climb  
Climb out  
It always hurts  
Tell me why  
Did you fall  
Over me  
I let my heart implode  
I let my heart  
My heart implode  
I let my faith go  
It's never sure  
It's never pure  
It always hurts  
So climb out  
It's never sure  
It's never pure  
It always hurts  
Climb out, climb out, climb out  
It's never sure  
It's never pure  
It always hurts  
It's never sure  
It's never pure  
It always hurts  
It's never sure  
It's never pure

It always hurts  
It's never sure  
It's never pure  
It always hurts
