It's all in the windows; it's all in the skies  
You pretty city the buildings wanna cry  
I'd leave the future for the future to play  
The hi-fi kids are lo-fi  
Sway baby sway

It's all in the windows; it's all in the skies  
Below you pretty city the buildings wanna cry

It's all in the windows; it's all in the skies  
Below you pretty city the buildings wanna cry  
I'd leave the future in the future  
Kid tomorrow needs today  
The hi-fi kids are lo-fi  
Sway baby sway
