

Architecture In Helsinki "Same Old Innocence"

Visit "[Same Old Innocence](#)" on MotoLyrics.com

You can catch me on the street
We're shaking out my legs to greet
Our new neighbors with the same old innocence

Walking, rolling, I'm your stone
Cease the aching in your bones
Keep it raining on the same old innocence

And when we woke up from the heat
You broke your fingers on the beat
All ashamed about the same old innocence

Oh way oh, way oh, oh way oh, way oh
Oh way oh, way oh, she will knock you up
Oh way oh, way oh, oh way oh, way oh
Oh way oh, way oh, she will knock you down

And you can see me be discreet
Keep that visions of defeat
All ashamed about the same old innocence

With a footstep that's a soul
Keep the aching in your bones
Keep it raining on the same old innocence

Even where crows fly
We are squawking like it's love, oh
We are squawking, long lost talking
We been where the arrows play

Oh way oh, way oh, oh way oh, way oh
Oh way oh, way oh, she will knock you up
Oh way oh, way oh, oh way oh, way oh
Oh way oh, way oh, she will knock you down

And you can see me be discreet
Keeping visions of defeat
All ashamed about the same old innocence
Same old innocence, same old innocence
Same old innocence, innocence is the same

And you can catch me on the street

We're shaking out my legs to greet
Our new neighbors with the same old innocence

The same old innocence, the same old innocence
The same old innocence, the same old innocence
The same old innocence, the same old innocence
The same old innocence, innocence is the same
