Tell me not in mournful numbers  
"life is but an empty dream!"  
for the soul is dead that slumbers,  
and things are not what they seem.

Life is real! Life is earnest!  
and the grave is not its goal;  
"dust thou art, dust returnest,"  
was not spoken of the soul.

And departing leave behind us  
Footprints on the sands of time

Not enjoyment and not sorrow  
is our destined end or way;  
but to act that each tomorrow  
finds us farther than today  
And departing leave behind us  
Footprints on the sands of time

Not enjoyment and not sorrow  
is our destined end or way;  
but act that each tomorrow  
find us farther than today

Art is long and time is fleeting,  
and our hearts though stout and brave,  
still like muffled drums are beating  
funeral marches to the grave.
