STIR IT UP - Diana King
(Bob Marley)

Oh yeah
Stir it up...

Stir it up, little darling
Stir it up, just like that man
Stir it up, little darling
Stir it up

It's been a long, long time
Since I've got you on my mind, oh yeah
And now that you are here
I say it's so clear
So much we could do
Me and you, come on now

Stir it up, little darling
Stir it up, come on now
Stir it up, little darling
Stir it up, stir it up

You say you push the wood, I light the fire
I will satisfy your heart's desire
I will stir it, stir it up every minute
All you got to do baby is keep it in it

Stir it up, little darling
Stir it up, oh yeah, come on and
Stir it up, little darling

Quench me when I'm thirsty
Come and cool me down baby when I'm hot
I will stir it, stir it up every minute
All you got to do baby is keep it in it

Stir it up (stir it, stir it, stir it together)
Little darling (stir it, stir it, stir it together)
Oh yeah, just like that, come on and stir it up
(stir it, stir it, stir it together) little darling

Stir it up (stir it, stir it, stir it together)
Stir it up, yeah

Stir it up, mix it up inna di morning time
Stir it up inna di evening time
Come mek mi squeeze it up, quiz it up
Stir it all the time
Then I'm pulling up the cork
When we whine on the clock

Stir it up, little darling
Stir it up, stir it up, stir it up, come on and
Stir it up, stir it up just like that, little darling
Stir it up, oh yeah, come on and
Stir it up, stir it up now, little darling
Stir it up, little darling, yeah, come on and
Stir it up, stir it up, stir it up, little darling
STIR IT UP!
