Ali Shaheed, on the mix  
Kickin' it with Stone Angie  
Uh, Take it back, take it back

Tell me what is up with you  
Heard you got a brand new crew  
Spending money like you rich  
Tryin' to keep up with your bitch

Seems somewhere you lost your soul  
Cuz you forgot the debt you owe  
Left me hanging out to dry  
But all the time I'll tell you why

[1] - Cuz I got a bone to pick with you  
Ain't nothing new under the sun  
And I got a talk to have with you  
So baby, if it fits  
Then wear the shoe

Now baby I tried my best to see  
I'm stackin' the odds at one to three  
I'm givin' the benefit to you  
Meanwhile I'm losing all access to you

And baby you played me like a fool  
Caressing me softly with a boo  
You're feeding me lovin' lies for food  
I'm waiting for one moment of truth

[Repeat 1]

You don't like this love I'm givin'  
Boy don't fake the feelin'  
Keep it real with me  
You're living too fast  
And all around you's movin' slow, so slow  
It's better to keep it cool  
Than blow it just for show  
So hold onto love if you can remember it

And somewhere you lost your soul  
Cuz you forgot the debt you owed  
You left me hanging out to dry  
But all the time I'll tell you why

[Repeat 1]

Baby there's something you should know  
Whatever deed you plant will grow  
But nothing will interrupt it's flow  
You only get out just what you give  
Together it's not all negative  
Beware of how you live

See it makes no sense to me, babe

[Repeat 1 until fade]
