There comes a time
To be free of the heart
I wanna be ready, ready to start
On a love journey, I got places to go
Made up my mind that I've got to let you know

[1] - Heaven help the heart
That lets me inside
Heaven help the man
Who comes in my life
Heaven help the fool
That walks through my door
Cuz I decided right now
That I'm ready for love

This funny feeling's coming over me
Now I'm inspired and I'm open to be
In a love place, but it's out of my hands
I'm telling you baby, you just got to understand

[Repeat 1]

I can't see what's out there for me, baby
And I know love offers no guarantee
But I'll take a chance and I'm telling you something,
baby
Gotta let you know

[Repeat 1]

[Adlib until fade]
