(feat. Musiq Soulchild)

[Intro]

Hey Musiq, (Yo)  
You think we can do this (Yeah, uh)  
(Yeah, yeah)

[1] - How do we make love  
And what's it truly made of  
How do we make love  
And what is it truly made of

Oh yeah, oh yeah  
Gimme an ounce of some honesty  
Some innocence and a cup of loyalty  
A tablespoon of some attitude  
And of course a pinch of freak

At least a pound of conversation  
Some attention when it comes to relation  
Two quarts of intelligence  
And a gallon of righteousness, oh

[Repeat 1]

Yeah, yeah yeah (Yeah, yeah)  
What I need is a smiggen of strength and a whole lot of  
stamina  
What I want is a liter of respect and a damn good  
listener  
Well if it means anything to you  
Girl, I feel the same way you do  
So let's let it marinate for about 365 days

[Repeat 1]

Oh baby, listen girl  
Baby I need to feel it's blended to perfection  
Love is spliced  
In connection with old fashion remedies and recipes of  
love

Oh yeah  
And sugar, won't matter what the friends in ?? eat  
I'll be sippin' on every drop of the main ingredient  
It's tasty love, yeah yeah

[Repeat 1 until fade]
