No weapon formed against me shall prosper

I come up hard, but never cool
I didn't make it, suga
Playin' by the rules
I've come up hard, baby
Now I'm fine
I'm takin' trouble, suga
Movin' down the line

I come up hard, babe
But that's ok
Trouble Man, don't get in my way hey

[1] - I been some places and I've seen some faces
That got the connections, they take my directions
Where people say, that's ok
They don't bother me, no

[2] - I'm ready to make it
Don't care 'bout the weather
Don't care 'bout no trouble
Got myself together
Feelin' the kinda protection
That's all around me

[3] - I've come up hard
Had to fight, had to win
Just a girl in a man's world
Don't want no trouble
Just a girl in a man's world
Don't want trouble, no
Don't want no trouble

[Repeat 1]

[Repeat 2]

[Repeat 3]

Bad news don't bother me, no no
