Chorus:

I have been through stormy places
I have travelled in the Nile
Boy you were a real good chase,
but you will never be my
(be my)
You will never be my
(be my)

'Cause you are from the outer spaces
You are from the ocean tile
Boy you were a real good chase,
but you will never be my
(be my)
You will never be my
(be my)

Oohh...
When you go
I miss you more
I miss you more
And though my heart is old
You don't know
You don't know

I bet you think I'm just playin'
A chase up the mountainside
But when we get tired of runnin'
You'll still never be my
(be my)
You'll still never be my
(be my boy)

My little white knight
A piece of moon
Oh you'll never be
No, you'll never be my
No, you'll never be my
No, you'll never be my
you'll never be

Oohh...
When you go
The days move slow
The days move slow
And oh my heart is old

You don't know
You don't know

Repeat Chorus

You will never
